You are not permitted to work during this period. This is the reason why:

**"Erwerbstätigkeit nicht gestattet"**  
**f] UjbZ "Ya d'cna Ybh'bcidYfa ]hYXL"**

is written in your temporary permission to stay.

&"&" 'Znci \ Uj Y'VYYb'jb'; Yfa UbmZ'f' 'cb[ Yf' h' Ub' %' a' cbh' g' "

You are permitted to work during this period, and may obtain a work permit. During this period, the following will be written in your temporary permission to stay:

**"Beschäftigung mit Genehmigung der Ausländerbehörde gestattet"**  
**f] UjbZ "Ya d'cna Ybh'idYfa ]hYX'k ]h 'h' Y'Wt'bgYbh' cZH Y'5' ]Ybg' CZQW"**

A number of conditions must therefore be met.

K \ UhiXc'nci 'bYYX'hc'Xc3 "

First of all, you must find an employer who would like to hire you. You must then **Udd' mto** the **5' ]Ybg' CZQW** for a work permit for this position.

To this end, the employer must complete a form. You must submit this form to the Aliens Office if you wish to apply for a work permit there.

The **5' ]Ybg' CZQW** will usually send the application to the : **YXYfU' 9a d'cna Ybh5[ YbWm** which, in turn, will check the following:

**U' Df]cf]hmiW YW\_ fVorrangprüfung)**

A check is carried out to determine whether other employees (Germans or foreigners permitted to work anywhere) would like to have the job you have found and are suitable for the position.

**BCH9.** If you are a graduate or have completed vocational training that is recognised in Germany, this check may not be required.

**V"9I Ua ]bUjcb'cZk cf\_ ]b[ 'Wt'bx]h'cbg'**

An examination is undertaken to check whether the job you have been offered complies with all laws and regulations (e.g. concerning working hours) and whether the wages you are to receive also correspond to the compulsory wage.

**WDfcl ]M]h'cb'cb'hYa dcfUfmiU YbWtik cf\_ "**

A check is made to determine whether your position constitutes "temporary agency work". You may not yet perform temporary agency work.

The Federal Employment Agency has **hk c'k YY\_g** to complete these checks.

If the Federal Employment Agency approves the check or fails to respond (!), the Aliens Office will grant you a work permit for this position. **D'YUgY Yb! gi fY** that the Aliens Office transfers this to your temporary permission to stay.

If the Federal Employment Agency does not approve the check or if you are not granted a work permit nevertheless, the Aliens Office must notify you of the reasons for the rejection **]b' k f]h'cb[** . You can lodge an appeal against this decision within a certain period of time; in this case, seek advice and assistance from an information centre.

Virtually everything remains the same as in the period before (see No. 2.2).

**<CK9J9F.** The Federal Employment Agency will NO longer check to see whether someone else should be given the position (priority check). This therefore increases your chances of receiving a work permit!

&" 'Mci f \ Uj Y'UfYUXmiVYYb'jb'; Yfa UbmZ'f' Z'i f' mYUfg' "

You may now work without the Federal Employment Agency having to undertake a priority check beforehand. However, you **MUST** go to the Aliens Office in order for the addition

**"Beschäftigung erstattet"**  
**.....f] UjbZ "Ya d'cna Ybh'idYfa ]hYXL"**

to be entered in your temporary permission to stay. You will **BCH** be allowed to work without this remark.

You will now be able to undertake any kind of work or vocational training. However, as long as you have temporary permission to stay, you may NOT work as a entrepreneur (self-employed person); you will **ALWAYS** need an employer to hire you.

' "I bXYf'k \ UhiWt'bx]h'cbg'WUb'nci 'cVHUj'b'Uk cf\_ ' dYfa ]hZ'f' j' cWUjcbU' fUj]b[ ' ]b' U'Wt'a dUbn8' "

If you have been in Germany for less than three months, you may NOT undertake vocational training in a company.

If you have already been in Germany for three months, the Aliens Office can grant you a work permit for vocational training in a company without the Federal Employment Agency having to carry out a check beforehand.

The same regulations apply to you as to asylum-seekers with temporary permission to stay **fgYY'GYW** **hcb'Z** with two exceptions:

% "Dfc\ ]V]hcb'cZk cf\_'

The Aliens Office will not grant you a work permit if it is of the opinion that:

- You are preventing removal action, e.g. if you use a false identity or nationality or if you fail to procure a passport or documents in lieu of a passport, i.e. if you do not go to your embassy.
- You only entered Germany in order to gain financial support from the German authorities.

In this case, the following would then be stated in your exceptional leave to remain:

**"Erwerbstätigkeit nicht gestattet"**

.....f] UjbZ ``Ya d`cna YhbicldYfa ]HfXkL'

If you would like to review whether the right decision was taken in your case and if you have found a position that you would like to fill, you should contact an information centre so that this prohibition of work may possibly be revoked.

&" JcWUhcbU'fUj]b] ]b'UWta dUbm

If you have exceptional leave to remain, you may obtain a work permit for vocational training in a company straight away, i.e. you need not wait until you have been in Germany for three months.

This temporary residence permit enables you to perform any work or pursue vocational training, but not to take up self-employment immediately. For this reason, you must visit the Aliens Office in order for the addition
